About ISC2

ISC2 is an international nonprofit membership association focused on inspiring a safe and secure cyber world. Best known for the acclaimed Certified Information Systems Security Professional (CISSP®) certification, ISC2 offers a portfolio of credentials that are part of a holistic, pragmatic approach to security. Our association of candidates, Associates and members, more than 350,000 strong, is made up of certified cyber, information, software and infrastructure security professionals who are making a difference and helping to advance the industry. Our vision is supported by our commitment to educate and reach the general public through our charitable foundation – The Center for Cyber Safety and Education™.

About ISC2 Security Congress

ISC2 Security Congress gathers the leading minds in cybersecurity for powerful collaboration and learning on the most current issues impacting the profession. This premier conference draws thousands of security thought-leaders from around the world with the highest value educational content and opportunities to grow in their careers. Attendees value the opportunity to explore the latest cybersecurity products and services in the Expo Hall and build their professional networks during ISC2 exclusive events.

Why exhibit and sponsor?

- Expand your organization’s global brand recognition.
- Connect with thousands of cybersecurity leaders and stakeholders.
- Gain access to one-on-one conversations with key decision-makers seeking the latest products and solutions.
- Nurture qualified leads that convert to sales.
- Choose from a broad range of premium visibility opportunities.

For more information on sponsorship and exhibit options please contact **Lisa Pettograsso at lpettograsso@isc2.org or call +1 (571) 348 4780.**
